## Instant Hand Sanitizer

Faith Microsolutions, an ISO 9001:2015 & ISO 13485:2016 certified company offers best in the class of infection prevention solution. The product range comprises of most advanced chemical formulations adapted to Indian conditions. All the products are manufactured at a state-of the art ISO 9001:2015 & ISO 13485:2016 GMP certified facility, using the highest grade raw-materials. We follow most stringent quality norms and all our products are tested at NABL accredited laboratories as per EN (European) standards both during and after production.

### Instant Anti Microbial Action

Mi-Lium is an instant hand sanitizer. It kills more than 99.999% micro-organisms within a short contact time. As per EN 13727, the bactericidal efficacy is achieved within 30 seconds.

### Broad Spectrum Anti Bacterial Agent

Mi-Lium is effective against a wide range of bacteria, mycobacterium viruses and fungi making it ideal for use in operation theaters, ICUs and wards.

### Persistent & Residual Activity

Mi-Lium formulation allows the active ingredients to penetrate the stratum corneum of the skin, forming a protective layer. This gives rise to persistent / residual antimicrobial activity for the entire period of surgery.

### Moisturising Effect

Mi-Lium is dosed with skin protecting, moisturizing formulation. This protects the skin from dryness and provides exceptional soothing effect.

### AREAS OF APPLICATION:

Mi-Lium, is a instant liquid hand sanitizer. It is used for surgical hand sanitization & personal hand sanitization in between patients or in between procedures.

### DIRECTIONS OR USE :

**Surgical Hand Sanitization:** Rub Mi-Lium on clean and dry hands up to elbow level after dispensing 6 pushes from calibrated Mi-Lium dispenser pump (9ml). Pay special attention to nails, grooves and intra digital spaces. Rub vigorously for 1.5 minutes.

**Anti-microbial Hand Sanitization:** Rub Mi-Lium on clean and dry hands after dispensing 2 pushes from calibrated Mi-Lium dispenser pump (3ml). Pay special attention to nail, grooves and intra digital spaces. Rub vigorously for 30 seconds.
