Mi-Shield® Scrub

Surgical Hand & Body Scrub

Faith Microsolutions, an ISO 9001:2015 & ISO 13485:2016 certified company offers best in the class of infection prevention solution. The product range comprises of most advanced chemical formulations adapted to Indian conditions. All the products are manufactured at a state-of the art ISO 9001:2015 & ISO 13485:2016 GMP certified facility, using the highest grade raw-materials. We follow most stringent quality norms and all our products are tested at NABL accredited laboratories as per EN (European) standards both during and after production.

Non Alcoholic Broad Spectrum

Mi-Shield Scrub is a non alcoholic hand and body scrub. Loaded with emollients and moisturizing agents, it is gentle on the skin.

Mi-Shield Scrub uses the power of 20% Chlorhexidene Gluconate for a broad spectrum antimicrobial effect. 20% Chlorhexidene Gluconate is established as a bactericidal myco-bactericidal fungicidal and virucidal agent.

Sustained Antimicrobial Action

Mi-Shield Scrub formulation provides safety to the skin for 6 hours. It prevents re growth of micro-organisms on the skin keeping the solution safe for longer duration.

AREA OF APPLICATION :

Mi-Shield Scrub is a water-soluble broad-spectrum fast-acting, persistent antimicrobial solution used for surgical hand scrub, patient preoperative preparation, and routine antimicrobial hand wash.

DIRECTIONS FOR USE :

Surgical Hand Scrub : Wet hands and forearms with water Scrub for 2 minutes with about 5ml of Mi-Shield Scrub. Pay close attention to nails, grooves and inter-digital spaces Rinse, dry thoroughly with sterile towel.

Anti-microbial Hand Wash: Wet hands with water. Dispense about 5 ml of Mi-Shield Scrub into cupped hands and scrub in a vigorous manner for 15 seconds. Rinse thoroughly.

Pre-operative Skin Preparation : Apply Mi-Shield Scrub liberally to surgical site for at least 2 minutes. Dry with a sterile swab or towel.

PRECAUTIONS :

- Do not use in case of known hypersensitivity to Chlorhexidene.
- Use undiluted.
- Do not mix with detergent or other chemicals.
- Avoid direct contact with eyes. Flush eyes with fresh water in case of contact.
- Keep out of reach of children.

Pack Size : 500ml
